TAQWA CARPETS – ABOUT US

“Taqwa” is an Arabic word that is difficult to translate in to English, however to simplify its meaning is to say “Taqwa” is God consciousness, to Love and revere our Creator and to fear the consequences of cheating, lying or harming others.

Taqwa is how we like to do our Business with you; it is ingrained in our values.

At Taqwa Carpets our core values are

1. Honesty 2. Quality & 3. Reliability

Taqwa Carpets & Beds was first established in 1996, we have, over the years, quickly established ourselves as the premier stockist of all leading brands of Carpets, Vinyl's, Rugs, Laminate & Wood flooring as well our latest introduction of the amazing Karndean flooring.

Quite simply we are probably one of the largest stockist's of flooring in the whole of the East London & Essex area. We stock over 300 rolls of Carpets at any given time. Holding large stocks enables us to give you a very quick service and on most occasions we can supply and fit your flooring for you within 24 hours. You can even just come in and cash & carry it away yourself.

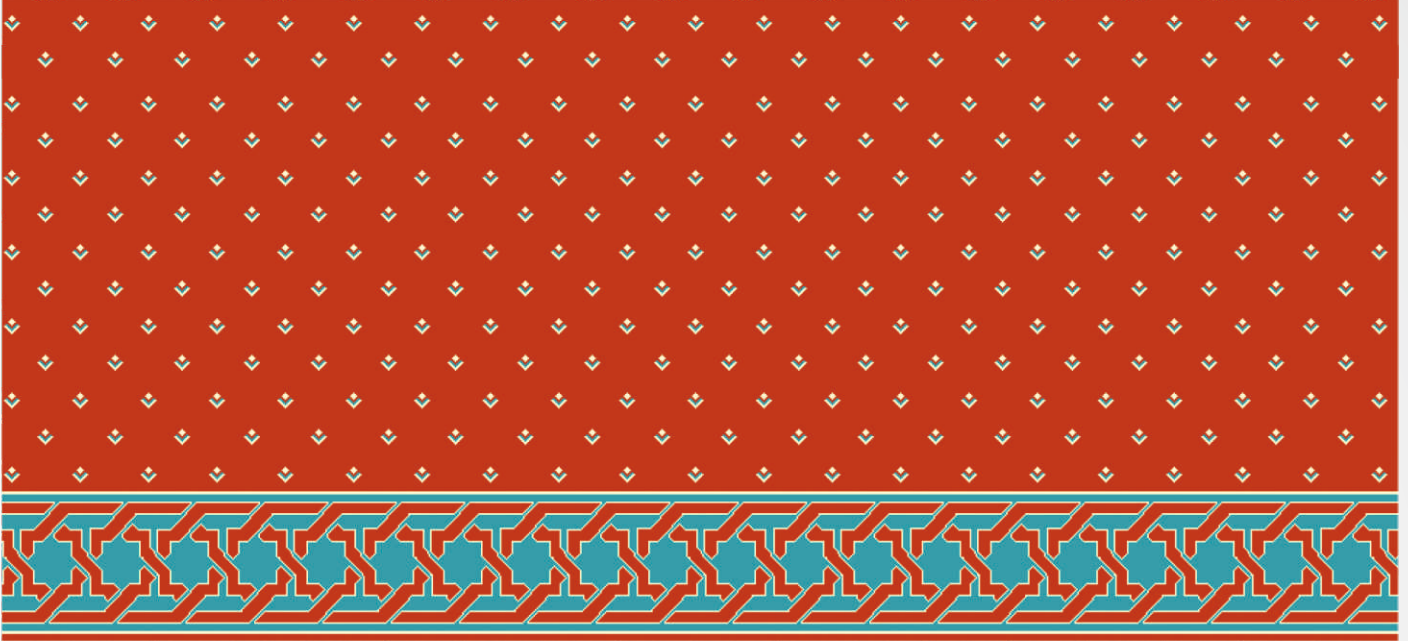

Our two huge warehouses allows you, the customer to view the carpets and flooring in actual size rolls and at the same time giving you the very best deals at any given time. We supply all the leading brands such as Cormar Carpets, Abingdon's, Associated Weavers, Karndean and Baltierio to mention but a few.

we also specialise in providing excellent quality mosque and hotel carpets, please click on the tabs for further info.

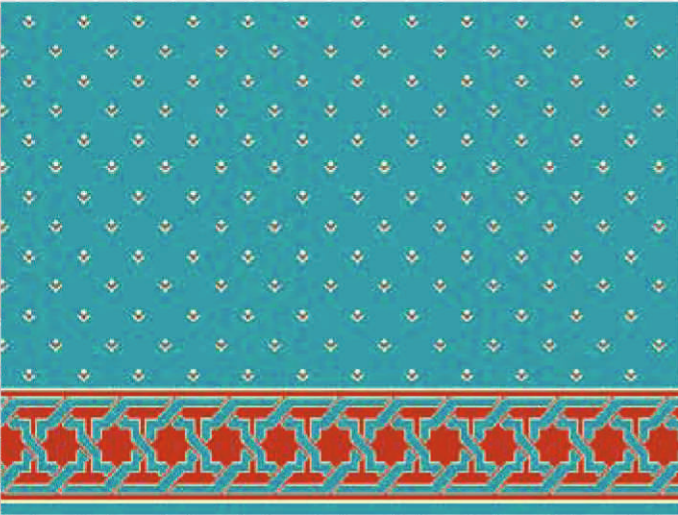

Please take the time to come and see us and enjoy the Taqwa experience, our service is guaranteed to put a smile on your face and happy feeling in your pocket!!

We look forward to meeting you in store or at your home.
